(*) = persons with some health problems
(**) = we are still waiting for the medical information form which will be forwarded to you as soon as possible

Please find copies of the travel documents enclosed as well as the medical clearances (in the future we will make every effort in order to provide the medical forms in English, but we cannot guarantee this. The persons concerned should bring more detailed medical reports with them).

The medical care is guaranteed, there are no contraindications to deportation.

Please note that N 710 189 – BARISASHVILI Goga, 14.05.2003 has his own mechanical wheelchair, a medical handover is not necessary.

As far as we know, none of the above-mentioned persons suffers or suffered from COVID-19.

The passengers will be escorted by Swiss police officers and medical personnel (physician, urgentist) as well as by a representative of the Federal Department of Justice and Police and a Swiss observer.

The SEM will ensure maximum security measures in the process of the organized return (e. g. gloves and medical masks, symptom checks before start – persons with symptoms of COVID-19 will not participate at this flight).

Please inform the concerned authorities in Georgia about this special flight.

We are at your disposal of any information you may require.

Thank you for your kind assistance in this matter.
Yours sincerely
