Letter of Recommendation

It is my pleasure to write this letter of recommendation for Ms. Irine Kechakmadze (ID 33001013527), who was actively involved in media coverage of health, social and other issues of public interest.

Ms. Irine Kechakmadze had fruitful collaboration with the Ministry of Labour, Health and Social Affairs of Georgia and its legal entities of public law. She was involved in studying ongoing health reforms and preparation of reports in different topics, such as: pharmacy drug abuse, communicable diseases, socially vulnerable families and elderly people, child adoption, family type houses for careless children, medical mistakes etc.

She also worked on sanitation issues existing in different private medical institutions.

It is worth mentioning her as a journalist's role in the promotion of hepatitis C elimination and "breast cancer" program.
