OC meeting minutes June 2016.docx;

Dear Oversight Committee Members,

I would like to thank GS for the attached minutes of the last OC call, which accurately reflected the discussions. I would also like to propose the next OC meeting for late August, as Muazzam and I from DVH will be in Tbilisi during this time; we thought it would be good if we could schedule a meeting for 25 August. Please advise if this is agreeable, to OC members. Let us know if this date works, we can collectively develop agenda as we approach the date. I have added CDC potential observers to this communication.

Best regards, FA
