Dear Muazzam,

Thanks for sending the meeting minutes.

On behalf of Dr. Amiran I would like just to clarify that on March 7-9 we will have the hepatitis workshop, and on March 8 – IT workshop.

For the workshop organization, the NCDC will try to raise funds among Georgian participants and Donor organizations.

As for the HCV Georgia website, the English version will be finalized by annual workshop - March 7-9.

Could you please, let us know when are you planning to have the surveillance session.

Kind regards,

Maia
