Dear Nancy,

Hope you are doing well.

Any news regarding our invitation letter for Dr. Redfield? It was sent through Diplomatic channels to CDC office on 16th of April, 2018.

Dear Sopo,

I actually just followed up further on the letter. It is my understanding that the letter will be “back channeled” up to Dr. Redfield’s office by the end of the week. We will let you know if/when we get further information.

Best,

Nancy Glass, RN, MPH

Dear Sopo,

We tried to move the letter forward, however, we were advised that it needs to be received through Diplomatic channels before there will be a response from CDC Director, so will be a little while.

Best, FA
