1H0A5-0Y18Q-48V3E-0P1UP-3MEQN 10 VM(s)

VMWARE VIEW 4 LICENSING

Thank you for ordering VMware View 4 Enterprise 10 Pack. This desktop virtualization solution consists of additional licenses for VMware vSphere 4 for Desktop and VMware View Manager 4.

The VMware product license key(s) for the VMware View 4 components of your order are listed above. Please refer to the product documentation for installation instructions.

NOTE: Please read the product End User License Agreement (EULA) as it pertains to VMware View since it places greater constraints on the usage of the vSphere components if they are purchased as a part of the VMware View bundle.

VMWARE VIEW 4 LICENSING

Thank you for ordering VMware View 4 Enterprise Bundle (Starter Kit or 100 Pack). This desktop virtualization solution consists of VMware vSphere 4 for Desktop, VMware vCenter Server 4, and VMware View Manager 4.

The VMware product license key(s) for the VMware View 4 components of your order are listed above. Please refer to the product documentation for installation instructions.

NOTE: Please read the product End User License Agreement (EULA) as it pertains to VMware View since it places greater constraints on the usage of the vSphere and vCenter components if they are purchased as a part of the VMware View bundle.

For additional details on the license keys which were generated (or deactivated) as part of this order, please visit your VMware license portal.

On the license portal you can divide or combine your license quantities. This allows you to divide your purchased licenses among several deployments, or to simplify license management by having all licenses on a single license key.

You can download your VMware products at: <http://www.vmware.com/download/>

If your order qualified and was placed under VMware's Volume Purchasing Program (VPP), you may be able to view your updated VPP points and discount level on the VPP Points Portal located at www.vmware.com/go/vpp-points-portal. Thank you for your VPP order. We appreciate your business and hope you continue to enjoy benefits of VPP.
