»» **To: The Ministry of Internally Displaced Persons from the Occupied Territories, Accommodation and Refugees of Georgia**

Dear Sirs,

First and foremost I would like to thank your Ministry for the fruitful and productive cooperation in the field of IDPs in Georgia.

With this letter I would like to express my gratitude with regard to the offer from your side towards KfW to be part of the new Supervisory Board for the implementation of the IDP strategy and action plan.

Unfortunately, this time we could not provide our candidate to participate in supervisory board activities. I'm therefore very sorry to have to tell you that given our large scope of engagements in different sectors in Georgia we currently don't have the capacities in our small office in Tbilisi to take on this important responsibility.

Hoping for your understanding and continued successful cooperation.

Kind regards,

Klaus Veigel

Director KfW South Caucasus Office
