Dr. Masoud Dara
Coordinator Communicable Diseases
Division of Health Emergencies and Communicable Diseases
WHO Regional Office for Europe

Dear Dr. Dara,

First of all, I would like to express my sincere gratitude to the WHO Regional Office for Europe for continued cooperation.

Please, be kindly informed that the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia fully supports your initiative to hold interregional workshop in preparation to transitioning from donor support in the tuberculosis, HIV and malaria response in Tbilisi, on October 17-19, 2018.

This meeting will provide an excellent opportunity to the participant countries to exchange good practice related to the progress and challenges of transitioning from external to domestic financing on HIV, tuberculosis and malaria.

Thank you once again for fruitful collaboration.

Sincerely yours,

Head of HR Management and International Relations
Department, WHO National Counterpart
