Here we (CTS) state all below processing is correct and truth:  
This is to certify that:

1, Dean & Pattisen International Menswear (HZ) LTD, which was assigned as an manufacturer by our partner - Weekend LLC, based on new regulations for the export of Covid 19 products and quality, implemented by the Chinese Government after 23 of April 2020, was forced to change quality certificates and shipper marks for 30 000 item of disposable medical clothing (isolation suits). For the date of 11/5/2020 - the documentations for the 30 000 item of disposable medical clothing (isolation suits) are in accordance with A medical test report and has the Category I certificate, issued officially.

2, Confirmed all information/documentation for 30 000 item of disposable medical clothing (isolation suits) are ok/appropriate on 14/5/2020, manufacturer arranged ship cargo to CTS warehouse.

3, 16/5/2020, CTS received the cargo in perfect condition, waiting for instructions from Sky Logistics LLC (transporter company) about the flight schedule. According to the latest information, the flight for Georgian cargo is booked on 24 may, 2020.

Sincerely,

Roger Qin

General Manager
