Embassy of the Federal Republic of Germany in Tbilisi

Dear Ms. Rezvani,

Reference to: RK-10-516.80 E condition after kidney transplant

In response to your letter of March 13, 2020 I would like to provide you with requested information regarding the services applicable to 18-year old Georgia citizen with condition after kidney transplant, within the competence of the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia:

Under the state program, kidney transplantation services are provided in the following medical institutions: (1) JSC, Al. Tsulukidze National Center for Urology; (2) JSC, K. Eristavi National Center of Experimental and Clinical Surgery; (3) Ltd. "High Technology Center, University Clinic"; (4) Ltd. High Technology Hospital Medcenter (Batumi).

Pharmaceutical products containing Tacrolimus, Mycophenolat-mofetil, Prednison, Aspirin and Omeprazol are registered in the Georgian pharmaceutical market.

Any citizen of Georgia suffering from terminal kidney failure can receive service covered by "Dialysis and kidney transplantation" state program, which includes kidney transplant operation and immunosuppressive drugs. Kidney transplant operation value should not exceed 20 000 GEL however the beneficiaries can receive immunosuppressive drugs defined by the state program without any charge (without co-payment).

In addition, financing of the services that are not covered by the State Program could be considered and reimbursed by the "Referral Service Commission" created under the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia. Also, it should be noted that the referral service program does not imply full or partial funding of all patients treatment services.

Sincerely yours,

First Deputy Minister
