Dear Mr. Liu,

On behalf of the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia I would like to extend my deep gratitude to you personally and your team for your dedicated efforts and support rendered to the Ministry in delivery of 52 tons of personal protective equipment (PPE) from China to Georgia on 29th of April, 2020.

The Ministry, together with other state institutions takes all necessary measures to reduce the dramatic spread of infectious disease, provide adequate treatment to COVID19 positive patients and conduct wide range of diagnostic testing in the population. For successful accomplishment of these goals, it was highly important to obtain large amount of PPE and ensure safety of health care workers. We are immensely grateful that with your support we were able to purchase and deliver mostly essential personal equipment to Georgia within the shortest period of time.

Thank you once again for your efforts, reliable partnership and support.

I believe that through consolidated efforts the global pandemic will eventually be defeated.

Sincerely yours,

Minister
