Dear Dr Tengiz and Dr Amiran

As you may know Gilead has been working hard on Remdesivir clinical trials against COVID-19 plus we have colleagues doing their very best to deal with the increasing demands for compassionate use from different countries.

Please reach out to [coronavirus.response@gilead.com](mailto:coronavirus.response@gilead.com) as we have a team assigned to answering questions regarding Remdesivir.

Thank you for your understanding

I hope this issue will eb over soon.

Best

Aysan
