Исх № 286	
от 14.02.2020	

О проведении научного форума по реабилитации

Уважаемая Екатерина Тикарадзе!

Приглашаю Вас и Ваших сотрудников принять участие Международном научном форуме по реабилитации 16-20 марта 2020 года (далее — форум). По предложению Европейского регионального бюро Всемирной Организации Здравоохранения (далее — ВОЗ), в рамках форума 16 марта 2020 года планируется проведение Круглого стола Европейского региона ВОЗ «Оценка инвалидности, основанная на Международной классификации функционирования, ограничений жизнедеятельности и здоровья (МКФ)» с участием представителей стран, входящих в Европейский регион ВОЗ.

- 17 18 марта 2020 года запланированы экскурсии по учреждениям реабилитации, ранней помощи и сопровождаемого проживания Санкт-Петербурга.
- 19 марта 2020 года пройдет V Международный симпозиум «Применение МКФ» (ICF Education).
- 20 марта 2020 года III Международная научная конференция «Инновационные технологии реабилитации: наука и практика».

Также прошу Вас направить для участия в Круглом столе 1-2 специалистов, ответственных за медико-социальную экспертизу и реабилитацию для обсуждения возможностей использования МКФ в стране.

О Вашем решении прошу сообщить до 14.02.2020 года на электронную почту оргкомитета форума conf@center—albreht.ru

Приложение:

- 1. Информационное письмо на русском языке на 2 л. в 1 экз.
- 2. Информационное письмо на английском языке на 4 л. в 1 экз.

Международный научный форум по реабилитации

16 – 20 марта 2020, Санкт-Петербург

• Круглый стол Европейского региона ВОЗ «Оценка инвалидности, основанная на международной классификации функционирования, ограничений жизнедеятельности и здоровья» (Technical workshop on ICF-Based Disability Evaluation in the WHO European Region)	16 марта 2020
• Посещение профильных учреждений (центров реабилитации инвалидов и детей-инвалидов, комплексных центров социального обслуживания населения, центров занятости населения, Института раннего вмешательства и др.) – по предварительному запросу.	17 — 18 марта 2020
• V Международный симпозиум «Применение международной классификации функционирования, ограничений жизнедеятельности и здоровья» (5 th International Symposium: ICF Education)	19 марта 2020
• III Международная научная конференция «Инновационные технологии реабилитации: наука и практика»	20 марта 2020

16 марта 2020 года

Круглый стол Европейского региона ВОЗ «Оценка инвалидности на основе Международной классификации функционирования,

ограничений жизнедеятельности и здоровья»

(Technical workshop on ICF-Based Disability Evaluation in the WHO European Region)

Организован ФГБУ ФНЦРИ им. Г.А. Альбрехта Минтруда России совместно с Европейским региональным бюро ВОЗ Рабочий язык: английский/русский

Круглый стол запланирован для стран Европейского региона ВОЗ.

Основные вопросы круглого стола:

- 1. Состояние систем комплексной реабилитации и абилитации в странах Европейского региона ВОЗ
- 2. Системы медико-социальной экспертизы (МСЭ), оценка инвалидности
- 3. Информационные системы в реабилитации (здравоохранении, социальной защите и т.д.) в странах Европейского региона ВОЗ
- 4. Практика применения инструментов ВОЗ
- 5. Применение Международной классификации функционирования, ограничений жизнедеятельности и здоровья (МКФ)
- 6. Тестирование и внедрение Международной классификации медико-социальных вмешательств (МКВ ICHI)

17 – 18 марта 2020 года

Посещение профильных учреждений

Для специалистов из стран Европейского региона ВОЗ с целью ознакомления с практикой работы и обмена опытом с российскими коллегами будет организовано посещение профильных учреждений (центров реабилитации инвалидов и детей-инвалидов, комплексных центров социального обслуживания населения, центров занятости населения, Института раннего вмешательства и др.). Визиты в профильные учреждения будут организованы по предварительному запросу участников.

19 марта 2020 года

V Международный симпозиум

«Применение Международной классификации функционирования, ограничений жизнедеятельности и здоровья»

(5th International Symposium: ICF Education)

Рабочий язык: английский/русский

Основные вопросы:

- Обучение МКФ
- Применение МКФ

20 марта 2020 года

III Международная научная конференция «Инновационные технологии реабилитации: наука и практика»

Рабочий язык: русский/английский

Основные вопросы:

- Реабилитация: мировой опыт.
- Инновационные технологии реабилитации.
- Нормативно-правовое регулирование реабилитации в Российской Федерации.
- Международные инструменты оценки ограничений жизнедеятельности (МКФ и др.)
- Региональные программы комплексной реабилитации.
- Круглый стол «Роль технологий электронного здравоохранения в оценке функционирования»

Приложение 2

Dear colleagues! We invite you to participate in the Forum

5th International Symposium: ICF Education 19 March 2020 III International scientific conference "Innovative technologies of rehabilitation: science and practice" 20 March 2020

This fifth International Symposium: ICF Education builds on the previous symposia, held in Finland, South Africa, Germany and Kuwait. The aim is to bring together people from around the world who are teaching about or using the International Classification of Functioning, Disability and Health (ICF) and/or the WHODAS 2.0 in health statistics and administration, clinical practice and education such as in interprofessional education, research and product development.

Collaboration and participation from all stakeholders are important. All participants are expected to share their experiences by preparing a summary of their experiences in teaching or learning about, or using the ICF, WHODAS 2.0.

The Conference is an annual event that will be held for the 3rd time by Albrecht Federal Scientific Centre of Rehabilitation of the Disabled. The conference is an interdisciplinary platform for discussing the current trends and crucial issues as well as the latest innovations including organizational and technological ones, to improve the rehabilitation system and the quality of rehabilitation.

The conference is for specialists in rehabilitation, heads of federal and regional public authorities including those who work in social protection, education, health care, culture and sport and organizations of rehabilitation for the disabled, scientific and practical centres and institutes, professional organizations.

SYMPOSIUM TOPICS

- Educating on ICF and WHODAS 2.0
- Use of ICF and WHODAS 2.0

CONFERENCE TOPICS

- Rehabilitation: international experience
- Innovative rehabilitation technologies
- Regulatory environment in rehabilitation in the Russian Federation
- International tools to assess disability (ICF etc.)
- Regional programmes of comprehensive rehabilitation
- Round table "The role of eHealth technologies in functioning assessment"

Date: 19 – 20 March 2020

Venue: Albrecht Federal Scientific Centre of Rehabilitation of the Disabled, Bestuzhevskaya str., 50,

195067, St. Petersburg, Russia

Organisers: The Ministry of Labour and Social Protection of the Russian Federation

Committee for Social Policy of St. Petersburg

SUBMISSION GUIDELINES

- The forum languages are English and Russian. You should choose the preferable language and register either on Russian version of the website http://reabinconf.ru/english conf/
- 2. All submissions and presentations may be made in English or Russian. Articles can be as Russian submissions and should be uploaded on the Russian page of the website http://reabinconf.ru/
- 3. The registration in Russian language and the guidelines for articles is on the website http://reabinconf.ru/
- 4. The registration in English language and posters are for English submissions and should be uploaded on the English version of the website http://reabinconf.ru/english.conf/
 - The templates for the posters preparation are different for two events. The templates may be accessed here:

5th INTERNATIONAL SYMPOSIUM: ICF EDUCATION

<u>III INTERNATIONAL SCIENTIFIC CONFERENCE "INNOVATIVE TECHNOLOGIES OF REHABILITATION: SCIENCE AND PRACTICE"</u>

The templates will have limited space for data entry. The submission may be from the perspective of the teacher or the learner.

- 5. The submission will be reproduced in a Forum booklet and made available on the Forum website http://reabinconf.ru/english.conf/ and contributions to the ICF Education Symposium will be on the www.ICFeducation.org website.
- 6. It is the author's responsibility to submit correct and edited material.
- 7. All submissions should reflect the symposium topics or the conference topics.
- 8. All correspondence will be with the person who submits the contributions online. This person is responsible for informing all authors of the status of the submission.
- 9. Authors are responsible for providing all copyright permissions for material included in their submissions.
- 10. The organising of the topics will be determined by the Forum Programme Committee to ensure best fit with the overall programme. Any requests for specific times will not be considered. Similar submissions in related topic areas will be grouped together for discussion.
- 11. PowerPoint presentation will be the only resource available for platform presentations.
- 12. All decisions of the Forum Programme Committee are final.

The programme committee will review the submissions and organise them according to topics. They will invite facilitators to lead the discussions on the topic, record the discussion and contribute the findings to a chapter in the International Scientific Rehabilitation Forum book.

A booklet of the submissions will be made available to participants ahead of the Forum and be used to start conversations on the topics. Participants will be expected to read each other's submissions and to bring a printout of the booklet to the Forum.

CONSENT, PERMISSIONS AND COPYRIGHT

In making a submission, you must confirm that:

You accept responsibility for the accuracy of the submission and understand that the content
cannot be modified or corrected after the submission deadline and that it will be published exactly
as submitted.

INTERNATIONAL SCIENTIFIC REHABILITATION FORUM

- All co-authors are aware of and agree to the content of the submission and support the information presented.
- You accept responsibility as the contact person for all correspondence about the submission and to share information with all authors about its status.
- You have secured any copyright/permissions clearance required relating to any previous presentations, equipment or other material for inclusion in the Forum and Forum publications.
- For all studies involving human participants or animal subjects, permission has been obtained from the relevant regulatory authority and properly informed consent given where appropriate.
- The work is original, except for extracts from copyrighted works used with permission from the copyright holders, and that it does not infringe upon any copyright, proprietary, or personal right of any third party
- You have identified any potential conflicts of interest

When completing the online submission process the submitter will be asked to confirm that the presenting author has read and understood the requirements they are expected to fulfil.
