Joint SDG Fund United Nations

To whom it may concern,

This is to endorse the concept note “Transforming Social Protection for Persons with Disabilities in Georgia” prepared by the UN RC Office in Georgia in consultation with the Government of Georgia for submission to the Joint SDG Fund.

Social protection and social inclusion are instrumental in Leaving No One Behind and accelerating progress towards the Sustainable Development Goals (SDG) by preventing, managing, and overcoming situations that adversely affect people's well-being.

The present concept note is fully aligned with the National Priorities of Georgia, the SDGs and the UN Strategy for Sustainable Development (UNPSD).

It leverages the comparative advantages of the United Nations, reflects the integrated nature of SDGs and supports Georgia with their implementation.

The Government of Georgia fully supports this Concept Note and hopes that the joint UN programme it maps out in this proposal receives necessary funding and support.

Sincerely,

Deputy Minister
