Your Excellency,

I have the honour to thank you for your letter of 10 April 2020 conveying your kind words of support and commitment to the call of the World Health Organization (WHO) to join the global efforts to limit the scale, the impact and finally to stop the COVID-19 pandemic.

I am delighted to learn that your Government has already taken on board most of the recently launched WHO's COVID-19 Global Strategic Preparedness and Response Plan. I seize this opportunity to commend the efforts of your Government to contain the pandemic. A special appreciation also goes to the public health workers on the frontline of this fight against COVID-19. Once again, I wish to indulge your continuing political leadership, your personal engagement and role.

WHO at its global, regional and country levels, stands ready to continue its work with Georgia, as well as partners at large, in this fight against this common threat posed by COVID-19, for us to be forearmed against any future proliferations.

Please accept, Your Excellency, the assurance of my highest consideration.

Dr Tedros Adhanom Ghebreyesus  
Director-General
