## SPECIAL ONE HEALTH COVID-19 RESPONSE ECHO Session for AFROHUN Members and Stakeholders

The AFROHUN (formerly OHCEA) One Health University Network is pleased to host a special online 90 minute interactive ECHO webinar style session for Network members and other interested stakeholders. This forum will allow for the most current information related to the COVID-19 pandemic to be shared, and discussion will allow for questions and dialogue around current issues. The USAID One Health Workforce – Next Generation Project supports One Health university networks such as AFROHUN in Africa and SEAOHUN in Southeast Asia to equip professionals with transdisciplinary skills to address complex global issues.
