COVID-19 ONE HEALTH UPDATE

ECHO Session for SEAOHUN Members and Stakeholders

The Southeast Asia One Health University Network (SEAOHUN) and the One Health Workforce–Next Generation (OHW-NG) consortium are pleased to host a special online 90-minute interactive ECHO webinar style session for SEAOHUN network members and other interested stakeholders. This forum, which will provide participants with the most current information related to the COVID-19 pandemic, will include expert presentations and audience discussion. The USAID One Health Workforce–Next Generation Project supports One Health university networks such as SEAOHUN in Southeast Asia and AFROHUN in Africa to enhance professional training with transdisciplinary skills to address complex global issues.
