Sansure Biotech Inc.

First of all, on behalf of the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia I would like to extend my sincere gratitude to Sansure Biotech Inc. for fruitful collaboration and reliable partnership.

We highly appreciate your willingness to support Georgia in procuring diagnostic test systems of coronavirus in the shortest time. Due to the Easter Holiday, unfortunately, we are not able to make transaction of the amount of the ordered goods before 21<sup>st</sup> of April, 2020. However, considering current epidemiological situation we urgently need these test kits to be delivered to Georgia. Therefore, we kindly request you to arrange preparation and transportation of the goods for the upcoming charter flight, which is scheduled on 24<sup>th</sup> of April, 2020 from Beijing.

Thank you once again for fruitful collaboration and hope for your kind consideration and support.

Sincerely yours,

Minister
