Dear Major Doll,

Allow me to extend my deep gratitude to You personally and the Office of Defense Cooperation of US Embassy to Georgia for continues support, reliable partnership and fruitful collaboration.

We are immensely grateful for your proposal to support the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia with Personal Protection Equipment (PPE) through Humanitarian Assistance project funded by the US Department of Defense.

Considering current epidemiological situation and increased demand on Personal Protective Equipment, we would highly appreciate if you could direct your support in purchasing disposable medical gowns within the budget of the project.

Thank you once again for proposed assistance and fruitful collaboration.

Sincerely yours,

First Deputy Minister
