

# ONLINE WORKSHOP

## COVID-19 Culture Strategy for Motivating & Managing Your Team

**Local cost: R250**

**International cost: \$20**

**Duration 2hrs Per day**

### Who this course is for:

Line Managers, Supervisors, Team Leaders, Project Leaders, Shift Leaders, Trainee Managers, Assistant Managers, Individuals making the transition into management roles, Plus any executives without formal management training

### What you'll learn

- Detailed Instruction to drive strategy with culture components applicable to the current crisis.

### Description

We are in unprecedented times in our world. Many have lost their jobs, are home schooling their children, with most work settings becoming virtual. People make up organizations, and putting their needs at the forefront is our key to successful strategy. Each section focuses on a specific topic with empirical data to support our needed shift to cultural competencies in management.

### Topics:

- Virtual Empathy
- Motivating Yourself & Your Team
- Communications in Crisis
- Healthy Habits for Depressed Mood & Grief
- Stigma & Resilience
- Love at Work

**Hours of Learning - No deadlines are applied to this training and it can be started at anytime or run several times in a day from Monday to Friday.**
