Dr. Seth Berkley
Chief Executive Officer
Gavi, the Vaccine Alliance
Geneva, Switzerland

Dear Dr. Berkley,

On behalf of the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia, I would like to express my deep appreciation for extending the invitation to join the Covid-19 Vaccines Global Access (COVAX) Facility.

We believe that the Covax Facility, administered by Gavi, provides one of the best opportunities to ensure that all countries, including Georgia, are able to rapidly access a safe and efficacious COVID-19 vaccine. We are impressed by the swift and concrete progress of the COVAX Pillar, part of the ACT Accelerator, developing new tools to bring this devastating pandemic under control.

Considering the above mentioned we confirm our interest in participating in the Covax Facility, and accordingly in procuring vaccines from the Facility for Georgia. For the avoidance of doubt, our expression of interest is non-binding. I understand that as a consequence of this expression of interest, Gavi will invite Georgia to join discussions about the Covax Facility.

I look forward to continuing our conversations as the final details are refined in the hope of confirming our participation at the earliest opportunity.

Thank you once again for proposed initiative and partnership.

Sincerely yours,

Minister
