Learning Network for Countries in Transition (LNCT) – Letter of Invitation

Dear Ms. Ekaterine Adamia,

The Learning Network for Countries in Transition (LNCT) would like to formally invite a delegation from Georgia to attend a LNCT workshop on Immunization and National Health Insurance on July 2nd, 2019 in Tangerang City, Indonesia. LNCT is supported by Gavi, the Vaccine Alliance and the Bill & Melinda Gates Foundation.

Delegates from seven LNCT member countries are invited together with partners and technical experts to exchange challenges and best practices for managing immunization programs within the context of the introduction or expansion of national health insurance.

This aims of the meeting are:

1. To build understanding of current health insurance and health financing systems in participating countries
2. To collaboratively identify risks and opportunities for the immunization program within national health insurance (NHI) systems so participants can advocate for policies that promote high quality immunization services

All sessions will be conducted in English.

To confirm your country's participation, we kindly request you nominate one additional delegate to join three of the confirmed network-wide meeting delegates. We would like to request this delegate be a senior official in NHI or an official overseeing design of NHI. **This delegate would be invited to stay through Thursday, July 4th** in order to participate in a visit to the NHI administration agency of Indonesia.

In addition to the NHI representative, we recommend the delegation attending the NHI include the following confirmed delegates: 1) Ministry of Health, EPI Manager or Deputy Manager; 2) MOH, senior level official responsible for EPI; 3) Ministry of Finance, liaison with health sector.

Travel and accommodation for up to four participants from each country will be organized by Results for Development. Additional instructions to confirm attendance have been outlined in the covering email for this invitation. Kindly RSVP by **Friday, May 10th**. If you have any questions or need additional information, please contact Leah List of the Network Coordination team at info@lnct.global.

Sincerely,

Grace Chee
Director, Network Coordinator
Learning Network for Countries in Transition
