Learning Network for Countries in Transition (LNCT) – Letter of Invitation

Dear Mrs. Ekaterine Adamia,

The Learning Network for Countries in Transition (LNCT) would like to formally invite you to attend LNCT's third network-wide meeting on July 3-5th 2019 in Tangerang City, Indonesia. You are also invited to attend a LNCT workshop on Immunization and National Health Insurance that will precede the network-wide meeting on July 2nd, 2019. LNCT is supported by Gavi, the Vaccine Alliance and the Bill & Melinda Gates Foundation. We ask that all participants arrive the day before the workshop on July 1st and depart the day after the closing of the meeting on July 6th.

Delegates from eighteen LNCT member countries are invited together with partners at the global, regional, and country level to learn from each other's experiences around Gavi transition and collaborate to solve transition-related challenges. This network-wide meeting will also be used to reflect on LNCT activities thus far and explore opportunities to improve network offerings and implementation of network learnings.

The aims of this meeting are:

1. To exchange best practices and challenges around resource mobilization that goes beyond financing vaccines to advocating for sufficient funding to cover operational costs to support high coverage
2. To strengthen the LNCT community and relationships between LNCT members to reinforce country-led learning and work together toward successful Gavi transition
3. To examine closely Indonesia's experience financing immunization within its national health insurance scheme and how its budgeting and financial flows affect available funding for high quality immunization services
4. To identify priority technical themes for LNCT engagement in 2020 and beyond.

You travel and accommodation will be organized by Results for Development. Additional instructions to confirm attendance have been outlined in the covering email for this invitation. If you have any questions or need additional information, please contact Leah List of the Network Coordination team at info@lnct.global.

Sincerely,

Grace Chee
Director, Network Coordinator
Learning Network for Countries in Transition
