Re: Letter of Recommendation for Vakhtang Jaliashvili

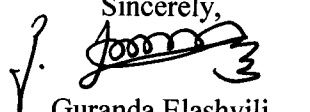

To Whom It May Concern

Dear Sir/Madam

I was asked to provide a reference for Mr Vakhtang Jaliashvili who I know professionally since 2005 when he started to work as Procurement Specialist in several projects financed from the World Bank.

The assignment undertaken by Mr. Jaliashvili required good technical, analytical and procurement skills. Those assignments were always completed with great efficiency, accuracy and speed.

Mr. Jaliashvili has attended several procurement trainings organized by the World Bank for the Borrower's staff and is familiar with procurement procedures and guidelines under IBRD loans and IDA credits.

Sincerely,
