LETTER OF RECOMMENDATION

It is with great pleasure that I find myself writing this letter of recommendation for Ms. Natalia Chubinidze.

I have known Ms. Chubinidze since September 2009, when she came to Poland to participate in the 2009-2010 Lane Kirkland Scholarship Program, funded by the Polish-American Freedom Foundation and administered by the Polish - U.S. Fulbright Commission. Within the framework of this program, Ms. Chubinidze has been affiliated at the Law School of the University of Warsaw for two semester post-graduate studies and her research concerned migration policy management in Poland and in Georgia. She also completed an internship in the Helsinki Foundation for Human Rights.

Ms. Natalia Chubinidze is an exceptional person who demonstrated outstanding analytic talents and excellent communication skills. She is at ease working with people and creates a compassionate and caring work environment. During her stay in Poland she had good contacts with representatives of Georgian Diaspora in our country. In the opinion of her Polish academic advisors, the results of Ms. Chubinidze's study and research in Poland will make a significant contribution to Georgia's efforts to develop democratic society and free market economy.

Ms. Natalia Chubinidze is an invaluable asset to any department and I have no reservations in giving her my strongest endorsement.

Sincerely Yours,

Renata Koźlicka-Glińska
