*Dear Madam,*

Bureau for International Cooperation of the Office for Foreigners confirms that in May and June 2010 you have attended series of consultative meetings with representatives of the Office for Foreigners to learn about the functions and duties of the Office. During the meetings the wide range of issues has been presented including the organization and functioning of reception center for persons applying for asylum in Poland.

I hope that you found the meetings and discussion useful and interesting.

*With best regards*
