MINISTRY OF INTERNALLY DISPLACED PERSONS FROM  
THE OCCUPIED TERRITORIES, LABOR,  
HEALTH AND SOCIAL AFFAIRS OF GEORGIA

Dear Colleagues,

Please be advised that a shipment with antiretroviral medicines (air waybill number 235-58073912, 125 pieces, weight 1713.33kg (invoices are attached)) is planned to cross the Georgian border tomorrow to its final destination to the Republic of Armenia. The consignee of the shipment is the Ministry of Health of the Republic of Armenia and the medicines intended for treatment of HIV patients are procured in the scope of the Global Fund supported grant program "Strengthening Control of TB and HIV/AIDS in the Republic of Armenia".

We hereby confirm that the truck transporting the above medicines is only transiting via Georgia to its final destination – Cargo terminal of "Zvartnots" international airport of Yerevan, Armenia.

Taken into consideration the delays in international shipments during the last several months resulted from COVID-19 situation and thus the currently faced shortage of the ARV medicines contained in the shipment, we would like to kindly request your urgent attention and permit required for the customs clearance process at the border.

SINCERELY,

LUSINE KOCHARYAN
