

COMPANY

Hunan Honggao Electronic Technology Co., Ltd. is original manufacture specializing in the research, development and production of digital infrared thermometers. The brand of our thermometer is Dikang, and honored to be the top 3 infrared thermometers Factory in China. Why choose us?

★ Whitelist: We are the whitelist of China Customs which can help you export smoothly.

★ Approved certification: SGS CE, FDA, ISO, FCC, ROHS, Free sale, CB, etc. Which can export any country around the world.

★ Fast delivery: Our daily production capacity exceeds 3000,000 pcs, with lots of stock ready to be shipped to all over the world every day.

★ Reliable quality: All of our raw material comply with international high quality standards with all required test report to endorse.

★ Reasonable price: We are sincerely want to help domestic and foreign traders to explore your market together, we would be flexible to provide the most reasonable and satisfactory promote program to build long-term business relationship with you.

HG01 Inferrel Thermometer

Specification

Product Name: Non Contact Infared Body Thermometer

Environmental temperature: 16 °C -35 °C

Atmospheric pressure: 70kPa-106kPa

Humidity: $\leq 85\%$

Power supply voltage: 3.0V DC (2 NO.7 alkaline batteries)

Size: 149*77*43mm

Weight: 105g/131g

Measuring range: Body temperature mode: 34-42.9 °C

Measurement accuracy: 35.0-42.0°C: ± 0.2 °C ; out of the range of 35.0-42.0°C : ± 0.3 °C

Measuring distance: 5~8 cm

Measurement time: <1seconds

3 color display screen: body termerature: 34.0-37.3°C

Green; 37.4-38°C Yellow; 38.1-42.6°C Red

Automatic shutdown: 15 seconds

Storage and transportation: -20 °C -55 °C, relative humidity: $\leq 93\%$

Medical infrared thermometer

DIKANG™

Medical infrared thermometer

Measurement Method: Non-contact
Measurement Distance: 3-5cm
Measurement Range: Body
Temperature 32.0°C-42.9°C
(89.6°F-109.2°F)

Error of measurement:
If beyond body temperature (35-42)°C,
±0.3°C/0.54°F
If within body temperature (35-42)°C,
±0.2°C/0.4°F

Display resolution: 0.1°C/°F
Normal working condition:
10°C-40°C
(50.0°F-104°F)
RHs85% (Not under condensation)
Storage condition:
-20°C-55°C
(-8°F-131°F)
RHs93% (Not under condensation)
Battery: 2×AAA battery

Power display: Low battery warning
Memory function: Maximum 15 data
points
Unit conversion: Switch between
°C and °F
(Please refer to manual book for more details)

Manufacturer: Hunan Hongqiao Electronic
Technology Co., Ltd.
Address: Block S, Comprehensive Industrial Park, Tenghui
Pioneer Park, Nanxian Economic Development Zone,
Yiyang, Hunan Province
Tel: 0737-2762828
Medical Device registration number: 20202070605
Medical device manufacturer license number: 202000043
Production date: On the qualified certificate
